

2006 Holmberg Arts Leadership Class

Developing Tomorrow's Arts Leaders Today

The Holmberg Arts Leadership Institute is designed for those who share a passion for advancing the arts in our community. Offered each fall, the four-month program develops leadership skills necessary to prepare the participants for prominent roles within arts organizations. The Holmberg Institute educates participants about the mission and goals of ArtsBuild and Chattanooga arts organizations; explores current issues facing the arts community; and strengthens individual talents and skills needed to serve as volunteers, board members and fund raisers. The Holmberg Institute provides many opportunities for networking as the participants receive a unique behind-the-scenes view of the arts.

Overview

Launched in 2005, The Holmberg Arts Leadership Institute is offered annually by ArtsBuild in memory of long-time board member and arts advocate A. William Holmberg, Jr.

A maximum of 30 people have the opportunity to participate in the program each year. Criteria for selection of participants will include level of interest in the arts, background, relevant experience, and degree of commitment to volunteer for service with arts and cultural institutions.
