

2021

IMPACT REPORT

Since 1969, ArtsBuild has **invested more than \$76 million in the arts** in Chattanooga and Hamilton County. Through grant making, arts education initiatives, arts leadership, and advocacy, we carry out our mission to build a stronger community through the arts. Our efforts are focused on spreading and supporting the arts farther and wider across our city and county, for **“More Arts in More Places for More People.”** We couldn't do it without the support of many donors and patrons, board members and volunteers, and the arts organizations, artists and educators who together create, sustain and celebrate the arts in our community. **Thank you!**

100 NEW DONORS

We had an ambitious goal of 100 new donors this year to ArtsBuild's 2021 Annual Campaign. We are already 80% of the way there and expect to reach 100 by December 31st. ArtsBuild donors recognize the value of the arts in our community. We thank all our first-time donors and long-time donors! Together we are building a stronger community through the arts.
