

# 2021 Holmberg Arts Leadership Class

## Developing Tomorrow's Arts Leaders Today

The Holmberg Arts Leadership Institute is designed for those who share a passion for advancing and engaging with the arts in our community. Launched in 2005 in memory of long-time board member and arts advocate A. William Holmberg, Jr., the annual Institute offers behind-the-scenes site visits to cultural and educational institutions, case studies of arts agencies, panel discussions with community leaders about current issues facing the arts community, and a unique forum for pursuing shared goals among arts leaders, business leaders, educators, and philanthropic foundations. The Holmberg Institute provides many opportunities for networking and strengthens individual talents and skills needed to serve as volunteers, board members and fundraisers.
